The Franklin County Builders Association has developed a local C.Q.C. program that identifies acceptable levels of industry professionalism, establishes a screening procedure for new and existing members and provides a method for handling consumer complaints.

CONTRACTOR QUALITY COMMITMENT STANDARD

- F. I agree to maintain a credit rating that is acceptable to my creditors, suppliers and subcontractors and which conforms to the generally accepted practices within the industry.
- G. As a *builder member*, I agree to meet or exceed the standards that are established in residential warranty programs through use of no less than one year written warranties. As an *associate contractor member*, I will honor manufacture's warranty programs and establish a fair exchange policy for items not covered by a manufacturer's warranty.
- H. I agree to abide by the Code of Ethics and the Contractor Quality Commitment Standards to maintain credibility and assure public confidence in the Franklin County Builders Association.
